Name_____

Hello Students and Families!

My name is Mrs. Hines and I am very excited to work with you as your NC Math 1 teacher for the 2022-23 school year. I am confident that with hard work, all students will be successful.

Here are the important details you need know:

SUPPLIES

Here are the supplies you will need to be successful in math this year.

- * Sharpened pencils with erasers
- * Small 1 inch binder(or section in larger binder)
- * SGMS agenda
- * Positive attitude

Students will receive a Math book for each unit that we study. Students must bring their current workbook to class each day and homework will be assigned in the workbook most nights. Once a unit is finished, we will store important notes in our binder and the math books will be stored in the classroom for future reference.

TWO-WAY COMMUNICATION

Powerschool and Canvas are ways that you can check grades and assignments. Grades will be updated weekly. If you have a question about any assignment or you would like to schedule a conference, you may email me at hinesr@gcsnc.com or you can reach out on my Google voice number (336)303-1864. As a school, we will also be utilizing Class Dojo for communication and positive feedback. Scan the QR code to connect with SGMS on Class Dojo.

HOMEWORK

Homework will be assigned **most** days that corresponds to the lesson that we are working on in class. If a lesson takes 2 class days to complete, the corresponding homework will be due the day AFTER we complete the lesson in class. Homework will be checked for completion and accuracy on a regular basis.

GRADE CALCULATION

Assignments are weighted differently depending on the type of assignment. Here is a breakdown of the types of assignments and their values.

- 10% Homework – at least twice a week
- 60% Classwork – daily class participation, in class assignments and quizzes
- 30% Unit Tests – at the end of each unit

This course has an EOC at the end of the year will count for 20% of the final grade for the year.

I am looking forward to working with all of you this year!

Sincerely,

Rebecca Hines
