Senior Transcripts

Information about Mid-year reports will come out next month!

Below are the steps to send a transcript:

- www.CFNC.org - STUDENT requests and sends to in-state colleges & community colleges
- **CommonApp, Coalition & SendEDU**
 - For specific schools, add the counselor in the student application and COUNSELOR sends the transcript
 - If the SendEDU is for an in-state school, student needs to use CFNC
- **ScribOrder** - All other requests can be made electronically through <https://guilfordnc.scriborder.com/>
 - If the school accepts electronic transcripts, we will send digital copy
 - If the school does not, we will let you know that the transcript is at the school and needs to be picked up within 5 days

When a transcript is sent electronically, it may take colleges up to **3 weeks** to merge the information in their system. We are unable to verify if a college has received the transcript.
