## Mid-Year Reports & Transcripts

**IMPORTANT:** NWHS is a traditional yearlong school. GPAs only change when a class receives a final grade. Therefore, GPAs will only change for students who are in fall courses (GTCC or Weaver).

**If the college is requesting mid-year grades, find out what your college wants you to do:**

- **Self-report:** Use your 2nd qtr report card (report cards distributed 1/31 or you can see data in PS)
- **CommonApp:** Email your counselor with request
  - o Put "Mid-Year College Report" in subject line
  - o Give your full name and the college's name
- **All other mid-year requests,** use ScribOrder <https://quillfordnc.scriborder.com>
  - o Click "High School Transcript"
  - o In "Special Instructions" box put "Mid-year Report"

Email Mrs. Marshall if you have ScribOrder questions [marshal4@gcsnc.com](mailto:marshal4@gcsnc.com). After submitting a ScribOrder request, you must check your email for a completion notice. You will be notified if it was completed electronically or if you need to pick up the envelope in the counseling office for you to mail.

Colleges might ask for mid-year grades prior to report cards, we will get them done as soon as final grades are stored. Colleges are aware of schools' varying timelines. If concerned, please email the admissions office and share this information.

Counselors will begin sending Mid-year reports on 2/8 after grades have been stored for the final time and students have been re-ranked.
