Mid-Year Reports & Transcripts

IMPORTANT: NWHS is a traditional yearlong school. GPAs only change when a class receives a final grade. Therefore, GPAs will only change for students who are in fall courses (GTCC or Weaver).

If the college is requesting mid-year grades, find out what your college wants you to do:

- **Self-report:** Use your 2nd qtr report card (report cards distributed 1/31 or you can see data in PS)
- **CommonApp:** Email your counselor with request
 - o Put "Mid-Year College Report" in subject line
 - o Give your full name and the college's name
- **All other mid-year requests,** use ScribOrder <https://quilfordnc.scriborder.com>
 - o Click "High School Transcript"
 - o In "Special Instructions" box put "Mid-year Report"

Email Mrs. Marshall if you have ScribOrder questions marshal4@gcsnc.com. After submitting a ScribOrder request, you must check your email for a completion notice. You will be notified if it was completed electronically or if you need to pick up the envelope in the counseling office for you to mail.

Need a transcript for a **scholarship?**

ScribOrder <https://quilfordnc.scriborder.com/>

- o Counselors can not email a transcript to a student/college/scholarship.
- o It takes 24-48 hours to get the transcript.
- o Put instructions in "Special Instructions" if you also need a mid-year report card.
